Dear Sir:

La Voz Hispana TV Show is the first 30 minute bilingual TV Show in the Midwest. Through our TV show we educate, inform and entertain the diverse communities in Eastern South Dakota, Western Minnesota, Northeastern Iowa and Northern Nebraska. Our show is presented in a bilingual format, meaning we subtitle in the alternative language. Let me give an example, if we are interviewing someone in Spanish, we subtitle it in English, or if we are interviewing some one in English we subtitle it in Spanish. Taking this into consideration, we respectfully request, that our TV Show, La Voz Hispana TV, receive a closed caption waiver. Close captioning the show would potentially confuse the viewer because there would be so many words on the screen or possibly cover up the subtitles on the screen. I also must mention we would incur a financial hardship that may not be possible with our current finances.

Enclosed is a DVD of our program for your review.

I appreciated any consideration regarding this matter.

Sincerely Yours,
